

Tennessee Jural Assembly Agreement

In acknowledging and accepting the duties of a Tennessee Jural Assembly Member, I act without any deceit or profit motive or obligation. I affirm that I am one of the people of Tennessee and that I am acting exclusively in my natural capacity. I affirm that I have expatriated from any presumed citizenship obligation owed to the Territorial United States and/or to the Municipal United States and I make no claim of Dual Citizenship and hold no allegiance to any foreign power at all. I affirm by this testament that I am qualified and able and willing to act as a Tennessee Citizen, as a Tennessee Juror, and as a Tennessee Elector and do so of my own free will and I also say that there is to my best knowledge and belief no circumstance or obligation barring me from occupying any vacated Tennessee Public Office, or preventing me from providing Good Faith Service in such Office if I am elected.

In accepting the duties of a Tennessee Jural Assembly Member I also accept the rights and responsibilities thereof. I understand that I may be called upon to serve as a member of a Grand Jury, or a Trial Jury, or to act as a Sheriff's Deputy, or to act as a Witness to Public or Private Records, and that I may be asked to serve in similar capacities with or without pay. I accept my duty to serve Tennessee and my fellow Tennesseans without reservation, coercion, or issue of conscience.

I understand that I am, as a Tennessee Citizen, responsible for upholding the Public and Organic Law of Tennessee and that if I should be elected or appointed or otherwise entrusted with assets belonging to Tennessee or any County thereof, I am obligated to act as a deputy and as a fiduciary under the Prudent Man Standard until relieved of such duty. As a member of the Tennessee Jural Assembly I shall faithfully promote and help secure Justice for all people, through the right use of Due Process and Jury Nullification. I shall at all times endeavor to keep the peace and to know and uphold the best standards and traditions of the American Common Law. So say I and witness my autograph and thumbprint seal as I commit myself to serve as a member of the Tennessee Jural Assembly this ____ day of _____ in the year _____ before these witnesses:
