1

00:00:00,480 --> 00:00:09,400

Yeah is like maybe seven of us here with Diane and Dennis together.

2

00:00:09,599 --> 00:00:14,920

There's another one Alex and Carrie and there's Sean sliding in here at the last second.

3

00:00:18,509 --> 00:00:20,668

And, ok, very good. We'll get started.

4

00:00:21,188 --> 00:00:37,29

Remember, you know, the routine is put your name and stuff in the chat as you would if you were going to be voting or anything like that and and I don't know if you have to do it before we start recording or not.

5

00:00:43,970 --> 00:00:57,10

There's mine Welcome to the General Assembly meeting for 18 February 2025.

6

00:00:57,409 --> 00:00:59,290

We're glad you all were able to be here this evening.

7

00:01:00,210 --> 00:01:09,90

If if you don't have your agenda with you, you can go to the website and download it or you can open it up somewhere and, you know, go along.

# The Tennessee Assembly Meeting Transcript

8

00:01:09,690 --> 00:01:20,210

It's pretty important that you do that, have that agenda available and read through it so that you know what we're doing and what we're covering and at what point you're invited.

9

00:01:20,210 --> 00:01:21,970

To interject things from yourself.

10

00:01:24,620 --> 00:01:35,139

To you know this is a public meeting and again that's on the website, you can go there to the General assembly pillar, menu page and you'll find information about this meeting.

11

00:01:36,780 --> 00:01:40,460

You're asked to put your name in as a roll call, a mechanism into the chat.

12

00:01:41,140 --> 00:01:46,419

There's a certain format that we're looking for, your ASC ASN, your name and county.

13

00:01:46,820 --> 00:01:57,940

And then we ask if you haven't, do you please finish fill out sign, thumbprint your good faith participation agreement and get that to Michelle?

14

00:01:58,910 --> 00:02:10,990

# The Tennessee Assembly Meeting Transcript

And then, in order to, in order to bring this all under one umbrella, we'll have a moment of silence to honor our creator.

15

00:02:12,590 --> 00:02:36,410

All right, let's do that. Okay, 1st up as far as the agenda, we have the Bevins declaration.

16

00:02:36,930 --> 00:02:39,490

And that is our beloved martial at arms.

17

00:02:40,10 --> 00:02:41,489

Could you share that with us, David?

18

00:02:42,529 --> 00:02:48,570

Sure, thanks Stanley. This meeting is public bearing false witnessed mr.

19

00:02:48,570 --> 00:02:55,650

20

00:02:56,480 --> 00:03:13,00

To eliminate all conflict and false allegations, is there anyone in attendance at today's meeting that is a member or agent of any law enforcement agency or public agency at any state, federal city, county or public agency present?

# The Tennessee Assembly Meeting Transcript

00:03:44,280 --> 00:03:47,360

25

00:03:49,880 --> 00:03:51,520

Is there a response for 2nd time?

26

00:03:54,430 --> 00:03:55,989

28

00:04:02,149 --> 00:04:05,590

Stanley, back to you. Alright, thank you very much.

29

00:04:06,630 --> 00:04:08,550

We have a document that's called points of order.

30

00:04:08,830 --> 00:04:14,230

You know, we treat each other with respect, we try to be cordial when when someone else is taught.

31

00:04:14,430 --> 00:04:17,110

Looking if we need to interrupt, we just sort of.

32

00:04:18,940 --> 00:04:20,820

Very generally make that known.

33

00:04:21,420 --> 00:04:35,540

In other words you know in other words, just if someone's talking, give them the floor until it's appropriate, you know, it's like, it's like passing a ball back and forth, you know, your turn is my turn, it's your turns my turn, and we'd appreciate

34

00:04:35,540 --> 00:04:37,60

# The Tennessee Assembly Meeting Transcript

if we would adhere to those.

35

00:04:39,509 --> 00:04:47,789

Points of order. You may have seen new added to the agenda last meeting, the coordinators corner.

36

00:04:48,709 --> 00:04:53,509

Anybody noticed that? Well, that's we have three coordinators.

37

00:04:53,999 --> 00:04:59,559

And, maybe Joe, Shirley Lewis and Barbara Gregory.

38

00:05:01,599 --> 00:05:09,79

I don't know, it's his picture and funny.

39

00:05:14,988 --> 00:05:16,229

Pat, can you, there you go.

40

00:05:16,429 --> 00:05:18,108

Thank you. Thank you very much.

41

00:05:19,908 --> 00:05:30,989

# The Tennessee Assembly Meeting Transcript

So we'll have our coordinators use this time to share with us anything that they need to, to do, anything new, anything that's happening, anything that we need to know about.

42

00:05:32,28 --> 00:05:35,789

That's outside of the scope of the general assembly or even this part of it.

43

00:05:37,188 --> 00:05:39,269

Any other coordinators would like to use this time?

44

00:05:43,549 --> 00:05:44,828

Charlie, do you have anything?

45

00:05:49,588 --> 00:06:08,179

I don't have she space. If we wanted to ask to see.

46

00:06:14,969 --> 00:06:24,488

Yeah, ok. Referring to the, the schedule that you guys were talking about for the general assembly, the options?

47

00:06:24,809 --> 00:06:33,248

Yes. Okay. Okay. We will. Okay, I don't know what that is.

48

# The Tennessee Assembly Meeting Transcript

00:06:38,609 --> 00:06:42,49

Hey you know Did you wanna wait for.

49

00:06:45,168 --> 00:06:48,889

No, if it's if you think it's part of the coordinator's corner, that's by that's fine.

50

00:06:49,49 --> 00:06:50,969

That's very good. Please use it.

51

00:06:52,288 --> 00:06:54,169

We, we can wait if that's what you had planned.

52

00:06:54,289 --> 00:06:56,809

I didn't know this is your time, that's what it's for.

53

00:06:57,569 --> 00:07:02,449

Okay. Yeah. All right. This is what the coordinators have been talking about, so please indulge us.

54

00:07:12,339 --> 00:07:29,139

Few things I said, one meet.

55

00:07:33,339 --> 00:08:11,359

# The Tennessee Assembly Meeting Transcript

Is in 14 is you know so. Oh, do you know, one concept one.

56

00:08:15,619 --> 00:08:32,139

Do meeting the other to have.

57

00:08:36,319 --> 00:09:17,609

Yeah, whatever you do us. He's on the 1st months stuff.

58

00:09:23,349 --> 00:09:41,869

You could This is to put things.

59

00:09:47,459 --> 00:10:22,159

Moving bye. Yeah, we have not approve.

60

00:10:26,319 --> 00:10:42,599

So ok Shirley, your audio was a little bit scratchy and a couple of reported that they were having a hard time understanding.

61

00:10:42,759 --> 00:10:46,279

So, would you debbie Joe, would you mind reiterating.

62

00:10:46,439 --> 00:10:57,519

# The Tennessee Assembly Meeting Transcript

Rating for the the group. It's nothing, nothing, it's just we couldn't hardly hear what you were saying surely so if you don't mind David Joe's going to just sort of reiterate.

63

00:10:58,828 --> 00:11:00,749

What you have proposed and it's a good plan.

64

00:11:02,549 --> 00:11:08,949

Okay, sold it Paul, did you have your hand up?

65

00:11:09,509 --> 00:11:14,508

Yeah, I have a real bad time hearing her, but I also have a hard time seeing it.

66

00:11:14,668 --> 00:11:17,908

Can we zoom in on the screen so we can see what we're talking about too, please?

67

00:11:18,589 --> 00:11:24,429

Are you? Okay, thank you. Can you make it a little bit bigger, Michelle?

68

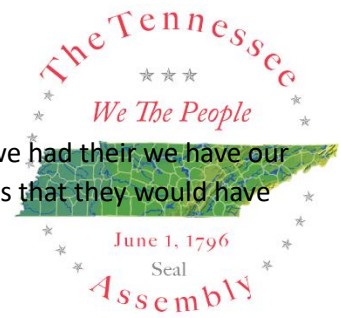

00:11:37,29 --> 00:11:37,949

Is that a little better Paul?

69

00:11:41,519 --> 00:11:58,679

# The Tennessee Assembly Meeting Transcript

Okay, so what the proposal is, is that when we were on Lisa Schaefer's meeting, we had their we have our every other week's schedule, and how we heard it from Lisa Schaefer's meeting is that they would have a meeting.

70

00:11:59,569 --> 00:12:14,889

Whether it was the GA dural, Malicia, IBA and have everybody involved as a whole helping the assembly on each pillar in the functions of it and participating and understanding and knowing.

71

00:12:16,469 --> 00:12:35,949

And so what Shirley has brought forward was two different options to look at for meetings and how that would look within adopting a new way or creating a way that we have a little bit more fluidity meeting more regularly and being able to move the

72

00:12:35,949 --> 00:12:41,69

assembly. Forward and maybe creating meetings that would have more participation.

73

00:12:42,149 --> 00:12:54,509

And finding and making a way for people to find what interests them and what they might not know by just sitting on a GA and going through our business meeting as a whole.

74

00:12:57,69 --> 00:12:59,229

Is that pretty much correct, Shirley?

75

00:12:59,749 --> 00:13:23,869

Thumbs up. But pretty much ok or voting that's once a week dividing.

# The Tennessee Assembly Meeting Transcript

76

00:13:24,469 --> 00:13:46,839

Okay. This is a big ss. So are you saying surely that.

77

00:13:47,349 --> 00:14:01,469

Like on, like we do tonight, we do all the, all the, all the committees that are occupied tonight, then on Wednesday the gernal pillar pillar would do all the, all the occupied committees on that one meeting and so forth.

78

00:14:01,629 --> 00:14:03,869

Malicia and IBA, is that what you're saying?

79

00:14:04,189 --> 00:14:34,869

Is what you're proposing? The be dural moment.

80

00:14:40,528 --> 00:14:53,368

Two is this is yeah and the eat on the dead.

81

00:14:54,448 --> 00:14:58,549

Well. You're you're having a lot of audio trouble and I get the point.

82

00:14:58,749 --> 00:15:10,829

# The Tennessee Assembly Meeting Transcript

I get I get the message you're trying to give us and I appreciate the work you've done on this so how about we just submit it visually to the General Assembly tonight?

83

00:15:11,589 --> 00:15:27,429

And perhaps we'll make this available on the website under one of the, under one of the the menu pillars, you know, as a proposal, and then the next time around, next meeting we can.

84

00:15:28,89 --> 00:15:30,728

Put it, put it to the people to see what they think about it.

85

00:15:31,49 --> 00:15:35,729

Have discussion. We'll put it on the agenda to have a discussion, put it to the people and let's talk about it.

86

00:15:36,969 --> 00:15:42,89

What most suitable cause, you know, one option is everything's on Tuesday.

87

00:15:43,169 --> 00:15:54,489

But there's only one GA meeting, one general pillar, one militio and one IBA, but on the option two, there's at least two per pillar per month meeting.

88

00:15:54,649 --> 00:16:01,208

So, would that be ok with you at this moment to just like like let's let us put it.

# The Tennessee Assembly Meeting Transcript

89

00:16:03,298 --> 00:16:12,379

As an upcoming agenda item for the next meeting, take a look.

90

00:16:12,539 --> 00:16:16,658

Yeah. Yeah. Yeah, it's like a proposal.

91

00:16:16,898 --> 00:16:31,739

What about it? Yes, so we'll make it available on the on the on the website, they can download it, look at it, mark it up, talk about it, you know, that sort of thing and think about it, then the next meeting on the 4th or whatever that is coming up.

92

00:16:33,19 --> 00:16:40,99

We can submit it as a. Motion if you want to, ok?

93

00:16:41,138 --> 00:16:46,619

Yes. Okay. All right. Thank you Shirley for putting that all together.

94

00:16:46,898 --> 00:16:50,98

It's good work. And it's it's in the right direction.

95

00:16:50,259 --> 00:16:52,779

We need to have more communication, that's that's NO doubt.

# The Tennessee Assembly Meeting Transcript

96

00:16:53,739 --> 00:16:55,299

Is there anything else regarding the.

97

00:16:57,768 --> 00:16:59,809

Coordinators corner that needs to be rolled out.

98

00:17:01,129 --> 00:17:04,768

I can share some good news and give everybody some cheer.

99

00:17:07,449 --> 00:17:16,809

So we received a communication from global for us to say we're ready to roll and we're waiting for the correspondence from global.

100

00:17:17,168 --> 00:17:20,209

In that regards. So that is important.

101

00:17:20,529 --> 00:17:23,808

They're, they are communicating and I'm sharing as it comes through.

102

00:17:24,669 --> 00:17:28,468

And that is all that I really truly have to report on.

# The Tennessee Assembly Meeting Transcript

103

00:17:28,669 --> 00:17:31,908

So good news. Okay. All right.

104

00:17:32,388 --> 00:17:36,389

Ryan, you have your hand up regarding something out of the coordinator's corner?

105

00:17:37,509 --> 00:17:41,149

Yeah, just the the two options that Charlie was speaking about.

106

00:17:41,909 --> 00:17:48,589

I just wanted to point out, I just had a thought I mean I think this is a good direction to kind of get get build up some momentum.

107

00:17:48,748 --> 00:17:59,869

Option one, even though on paper, right, the the four pillars we're only meeting once a month, I think to make that model work again if we choose to pursue that option.

108

00:18:00,629 --> 00:18:08,749

Would be a, a strong emphasis on meeting at subcommittees to bolster that one month meeting.

109

00:18:09,349 --> 00:18:13,69

# The Tennessee Assembly Meeting Transcript

Just wanted to put that out there as people think about that for next time.

110

00:18:16,188 --> 00:18:20,68

Well, duly noted. Yeah, you're talking about we need people to fill the committees.

111

00:18:20,189 --> 00:18:25,948

Is that what you'. Well, if we're meeting once a month, right, then we want to make that once a month meeting.

112

00:18:26,519 --> 00:18:35,439

Yeah. Have the have the set of the work being sort of delegated or talked about and discussed as a group of.

113

00:18:40,359 --> 00:18:42,678

You're fade not to coming back, you're, not to coming back.

114

00:18:43,448 --> 00:18:50,448

There's an instead of people meeting in that once a month meeting to kind of work through all the issues as a large group, right?

115

00:18:50,769 --> 00:18:57,888

It might, people can take advantage of a subcommittee that that deals with the issues at a smaller group and.

# The Tennessee Assembly Meeting Transcript

116

00:18:59,489 --> 00:19:04,569

Brings their findings Yes, yeah, that's the general idea.

117

00:19:04,769 --> 00:19:09,129

Yeah, that's why there was subcommittee committees on all those other squares on the calendar.

118

00:19:09,328 --> 00:19:15,209

Yeah. Ok. Does that bring the corner?

119

00:19:15,409 --> 00:19:38,419

Oh, Shirley? Yes, please. Okay, that's good to think about.

120

00:19:43,959 --> 00:20:02,799

If this or where we're gonna.

121

00:20:12,539 --> 00:20:13,779

Somebody translate for me?

122

00:20:16,539 --> 00:20:27,659

I'm about to break out in tears because I want to hear what you're saying and emotional because Can you put that in the chat Shirley?

# The Tennessee Assembly Meeting Transcript

123

00:20:28,199 --> 00:20:29,679

We wanna hear what you have to say.

124

00:20:30,158 --> 00:20:41,838

Yeah. Think good. Okay. Okay.

125

00:20:47,209 --> 00:20:52,968

Maybe maybe maybe type that out in a, in an email or something to send it to Michelle, but I know it was important.

126

00:20:53,209 --> 00:20:56,728

I just didn't hear, couldn't make out what it was and I apologize.

127

00:20:59,169 --> 00:21:05,689

Okay, so, if, if that will hold us on the coordinator's corner, we'll move on.

128

00:21:07,189 --> 00:21:16,909

To, oh, oh, whoa, whoa. Today we're calling on the General Lee to form the oh, we'd already did that.

129

00:21:17,748 --> 00:21:23,29

We already did that. Elections committee is gonna be Cane and.

The education was Kelly, right?

131

00:21:30,499 --> 00:21:32,339

And we're looking for a treasurer.

132

00:21:32,499 --> 00:21:34,539

Folks. We need a treasurer.

133

00:21:34,699 --> 00:21:43,339

Treasurer, you know, is not gonna be that hard, but there's some specific requirements and we'll get together and get those pop.

134

00:21:43,419 --> 00:21:44,778

Posted up on the, on the website.

135

00:21:46,558 --> 00:21:51,999

Someone familiar to the assembly, someone who's here regularly, and we need a treasurer.

136

00:21:52,119 --> 00:21:56,359

We need to get that office going forward and elected.

# The Tennessee Assembly Meeting Transcript

137

00:21:58,159 --> 00:21:59,718

Alright, the budget committee.

138

00:21:59,879 --> 00:22:03,238

We have we have anybody from the budget committee that would like to report?

139

00:22:04,189 --> 00:22:17,989

Oh, wait a minute. Paul has hand up was that regarding the coordinator's cornerstove, a lot of that report a lot of that report was about Lisa Schaefer and what she does.

140

00:22:18,468 --> 00:22:21,868

I just wanted to let you guys know that she confirmed she will be at the meetup.

141

00:22:22,369 --> 00:22:35,08

Yeah, one of one of the days so I sent an email to Sean to get her the invite or whatever we gotta do and then that way she knows where to go, but she'll she'll be there.

142

00:22:35,729 --> 00:22:37,48

Yeah ok thank you very much.

143

00:22:37,609 --> 00:22:46,738

Appreciate that. Okay, so moving forward if there's NO more hands, I don't see any.

144

00:22:48,259 --> 00:22:51,139

The budget committee. What can we do already have from the budget committee?

145

00:22:51,698 --> 00:22:58,939

Yes, so to let you guys all know what is in checking and savings right now because that's where we're doing.

146

00:22:59,59 --> 00:23:06,939

Gonna start currently in checking, we have \$4521.27.

147

00:23:07,659 --> 00:23:13,179

In savings, we have \$595.87.

148

00:23:14,299 --> 00:23:18,769

So I received. Three purchase order requests.

149

00:23:19,849 --> 00:23:22,848

The 1st one is from the assembly Malicia.

150

00:23:26,89 --> 00:23:30,728

It is for a 16 tb portable external hard drive.

# The Tennessee Assembly Meeting Transcript

151

00:23:31,289 --> 00:23:47,369

Which they need. The total for that is a hundred and \$48.84, and I believe we're here tonight to vote on whether to allow the purchase or ask more questions.

152

00:23:48,78 --> 00:23:54,519

Discuss it. So if you'd like to do the one at a time or should I bring them all up now?

153

00:23:57,518 --> 00:24:07,519

How many are there? There's three, it would be nice to have it all separated in the chat.

154

00:24:08,278 --> 00:24:13,279

Alright, what is the may I ask, I'll raise my hand, be proper here, where's it at?

155

00:24:17,199 --> 00:24:21,799

Oh, what is the 16 tb of external hard drive for?

156

00:24:26,369 --> 00:24:28,169

Yeah, you have to get a little close to the microphone or something.

157

00:24:28,328 --> 00:24:30,969

Who is that? Ryan? May I? Yes.

# The Tennessee Assembly Meeting Transcript

158

00:24:31,929 --> 00:24:40,609

Okay. It is, the purchase order is for two, not one but 02:16 terabyte external hard drives.

159

00:24:42,208 --> 00:24:46,89

The purpose of obtaining these hard drives was.

160

00:24:48,729 --> 00:24:52,409

I can't hear you, can't hear you.

161

00:24:54,88 --> 00:25:03,529

The purpose of the hard drives is to is to move the recorded meetings off of Zoom.

162

00:25:04,519 --> 00:25:16,399

We've already filled up 10 gb on the cloud and we're moving them off so we can continue to record conveniently record our meetings on the cloud and then move them off as needed.

163

00:25:16,919 --> 00:25:22,319

So we're just making space and we're planning for a long, long term storage basically of these meetings.

164

00:25:24,79 --> 00:25:33,719

# The Tennessee Assembly Meeting Transcript

Well, can I asked this question, can we not use the partitions off of those servers or those external hard drives purposes?

165

00:25:36,438 --> 00:25:39,629

Which servers? The ones that are at the Sean's house.

166

00:25:42,749 --> 00:25:48,749

Now I would have to defer to Sean's they're up and up and operational.

167

00:25:52,69 --> 00:25:55,389

You can't pull one out and load it up and then put it back in the slot.

168

00:25:55,509 --> 00:26:03,669

Now they're. They're sass drives, they're not IDA drives or drives, so it's, there's NO compatible way to do that.

169

00:26:04,509 --> 00:26:09,589

So you want 02:16 terabyte hard drives at a hundred and \$48.84 each?

170

00:26:11,709 --> 00:26:17,88

No, total. Okay, so but it's two hard drives at a total of 14884.

171

# The Tennessee Assembly Meeting Transcript

00:26:17,849 --> 00:26:25,649

Correct. Two times. How long, how long are we going to keep the meetings?

172

00:26:26,528 --> 00:26:27,889

That's a terabytes a lot of.

173

00:26:28,429 --> 00:26:30,829

Hard drive space. How long are we gonna actually keep meetings?

174

00:26:33,69 --> 00:26:34,589

Has anybody got any format to that?

175

00:26:34,789 --> 00:26:37,908

How long, you know, you gotta keep your taxes so they say for seven years?

176

00:26:38,189 --> 00:26:41,429

How long do we need to keep hard drive loaded with old meetings?

177

00:26:44,708 --> 00:26:46,708

Before I answer Michelle may as well answer.

178

00:26:46,959 --> 00:26:58,199

# The Tennessee Assembly Meeting Transcript

Yeah, Michelle. I can't hear you for some reason Yes.

179

00:26:59,399 --> 00:27:03,919

So the records committee had voted to keep the actual video.

180

00:27:05,248 --> 00:27:14,569

For three months, as long as the meeting minutes were stored, we weren't gonna keep them past three months because nobody's watching them past three months.

181

00:27:14,769 --> 00:27:19,408

So as long as we keep the written meeting minutes, we have a hard copy record.

182

00:27:19,979 --> 00:27:31,219

And it doesn't take up much storage to store a PDF, but videos take up a lot of space and we just don't have the resources right now to store everything.

183

00:27:32,259 --> 00:27:35,578

So that's what we had decided was reasonable.

184

00:27:37,348 --> 00:27:50,189

So are we going to keep the video for three to six months and then delete it and keep the written copy and there's a maintenance schedule to take care of that so far that you've somebody's developed?

185

# The Tennessee Assembly Meeting Transcript

00:27:51,748 --> 00:27:54,469

So that's, yeah, that's basically what I'm doing.

186

00:27:56,149 --> 00:28:17,139

So I'm keeping them yep. As videos on my hard drive, so right now I'm posting the most recent last video on the website and I leave it up until the new one is ready and then put that one in there and but I keep all of the other videos on my hard

187

00:28:17,139 --> 00:28:24,209

drive. Available to send links to for up to three months.

188

00:28:24,368 --> 00:28:37,969

But after that I was deleting them as long as we have meeting minutes, and I'm doing the meeting minutes for the GA so I know that it's done but the Malicia is is sending their meeting minutes now too, so I'm I'm uploading.

189

00:28:38,49 --> 00:28:39,249

Putting those on the hard drive.

190

00:28:39,849 --> 00:28:43,409

Okay. Yeah. Okay, well that's all the questions I had about that.

191

00:28:43,848 --> 00:28:53,09

Sean has his hand up I can't, you're muted, Seems to be a virus going around.

# The Tennessee Assembly Meeting Transcript

192

00:28:55,609 --> 00:28:57,08

Well, I think I caught the virus.

193

00:28:57,479 --> 00:29:04,599

You know, the mutelas, the reason we decided to go with two is just redundancy in case one went bad.

194

00:29:07,559 --> 00:29:09,319

So, yeah, just a heads up.

195

00:29:10,998 --> 00:29:14,639

Okay, Shirley you have your hand up?

196

00:29:20,339 --> 00:29:23,538

Oh, ok. Okay. Thank you. All right.

197

00:29:23,699 --> 00:29:26,98

Well, the, do you wanna vote on that right now?

198

00:29:26,419 --> 00:29:30,139

Oh, Marshall arms David, have you hand up?

# The Tennessee Assembly Meeting Transcript

199

00:29:31,139 --> 00:29:35,339

Yeah, Michelle, are you buying those drives yourselves?

200

00:29:36,569 --> 00:29:37,849

That you're storing them on?

201

00:29:40,568 --> 00:29:54,729

So yes, I have a drive and i'm storing them on at the moment, but I can't do more than like, you know, a few months worth because when we had the malicious meeting, I bought it up that the records department should have that.

202

00:29:55,538 --> 00:30:01,659

So you should have some dries like that too, but they, but that would be something that records would have to submit.

203

00:30:02,538 --> 00:30:08,738

Okay. So I said I said we should do a group by and they said well that's up to the other departments to submit.

204

00:30:09,179 --> 00:30:28,459

So. Alright, thank you. So if there's NO other further questions or any inquiries as regard to the purchase of 02:16 terabyte external hard drives for the purpose of backing up data from from our assembly meetings.

205

May I ask you guys real quick?

228

00:33:08,719 --> 00:33:11,879

So am I double checking? May I understand?

229

00:33:12,118 --> 00:33:17,558

Yes sir. I mean yes Paul, I've try to make it a whole lot easier for you guys.

230

00:33:18,239 --> 00:33:24,958

Like a lot a lot of times these votes are are for the most part unanimous when it has something to do with.

231

00:33:25,769 --> 00:33:43,329

The assembly moving forward, it's a lot easier to get their hands of the nays and then let them speak as to what it is and and then you can go from there and if it's an uncontested it can you can say that right in the beginning, if it's uncontested,

232

00:33:43,409 --> 00:33:45,249

then it passes through and you move on by.

233

00:33:45,329 --> 00:33:48,89

# The Tennessee Assembly Meeting Transcript

If any. Everybody has a problem with it, raise your hand.

234

00:33:48,369 --> 00:33:51,488

It's a lot easier than trying to count everybody that wants to move forward.

235

00:33:52,659 --> 00:33:54,819

I know yeah and I appreciate that Paul.

236

00:33:55,99 --> 00:34:07,59

I was almost ready to do that that way, but we've been doing it this way and I don't, you know, I'm not the one to keep throwing wrenches into the work, so I thought I'd just keep going, but I like that better, a whole lot better.

237

00:34:07,459 --> 00:34:09,779

And from now on, I think that's what we're gonna do.

238

00:34:12,449 --> 00:34:17,248

Okay, I was on the meeting last night and that's exactly what they did, and it worked perfect.

239

00:34:18,208 --> 00:34:20,649

All right, so I got some about 17.

240

# The Tennessee Assembly Meeting Transcript

00:34:20,769 --> 00:34:30,09

So I say the yaze carry the vote, the the request to purchase 02:16 terabyte external hard drives for the price of 01:48.

241

00:34:30,389 --> 00:34:34,629

And dollars and \$0.84 has passed by the assembly.

242

00:34:36,109 --> 00:34:48,909

Next purchase request. Okay, next purchase request is from the IT committee under the GA.

243

00:34:50,369 --> 00:35:04,529

It is for want a one year subscription to mailer light and a URL to host the emails for item one.

244

00:35:05,129 --> 00:35:11,488

Which is mailer light. The total, the grand total is \$278.

245

00:35:12,729 --> 00:35:18,289

There probably will be some tax, but it will only be whatever the tax rate is.

246

00:35:19,728 --> 00:35:22,649

It's just not easy to find it until you actually do the purchase.

247

# The Tennessee Assembly Meeting Transcript

00:35:28,289 --> 00:35:30,288

I think it's open to discussion right now.

248

00:35:31,529 --> 00:35:38,09

All right. Do you do y'all remember a couple of times now on Malicia and General assembly?

249

00:35:38,169 --> 00:35:43,89

We have talked about the need for us to make contact with all.

250

00:35:43,989 --> 00:35:58,388

Asns and ASCs on the state of Tennessee all status correct corrected individuals because we have, you know, we need to, you know, we need to quite frankly, we need to build some fires under some people's feet.

251

00:35:58,929 --> 00:36:11,129

And it's very polite. I could have used a part of another part of the anatomy but we need to, we need to get some folks participating here to fill these slots.

252

00:36:11,249 --> 00:36:16,08

So we want to purchase that all a responder and that is like 200 and.

253

00:36:16,489 --> 00:36:22,649

40 some dollars I think for a year subscription to mailer light, which is the same program that's being used by Ohio.

# The Tennessee Assembly Meeting Transcript

254

00:36:23,249 --> 00:36:31,289

The IT got committee got together and we looked at four different apps in that regard, and mailer light kind of came out on top.

255

00:36:32,189 --> 00:36:42,669

And so, that's for one year, it's up to 2500 subscribers, it's unlimited emails, so we can send 2500 emails.

256

00:36:42,949 --> 00:36:49,109

If we had 2500 email names and addresses, we could do that unlimited per month.

257

00:36:49,879 --> 00:37:00,559

And right now we only have that I know of about 420 or so on the and some of those have already opted out, so we'll have to take that into consideration.

258

00:37:00,719 --> 00:37:06,879

But anyway, and then we need, we have this long D Tennessee assembly.org URL.

259

00:37:07,709 --> 00:37:23,548

And if you know anything about these federation emails that we're using, which is TN-my name@mail.American state nationals.us, it's about this long people, It's long.

260

00:37:24,649 --> 00:37:33,568

# The Tennessee Assembly Meeting Transcript

And, we wanted to not have that cumbersome email bundle upon people who are receiving contact from us.

261

00:37:33,929 --> 00:37:43,529

So we would like to buy a short URL for the job and it will be tennessee.ME Tennesseeen.

262

00:37:44,89 --> 00:37:48,649

Dot ME. Tana cn.ME. Me, Tana CN.

263

Me, tana CN. You gotta y'all get it?

264

00:37:51,649 --> 00:37:56,889

Y'all get it. All right. So that's what this money's for.

265

00:37:58,409 --> 00:38:00,889

Anybody wanna talk about that, have a question?

266

00:38:01,759 --> 00:38:18,119

I have a concern. Okay, I saw Alex 1st and then this caller number two I think over here is next and then Paul, and I can lower my hand because Alex.

I just want to say I love it man the that long email you're talking about the higher nose email.

275

00:38:53,60 --> 00:39:00,899

There have been many times where emails have been intercepted in trouble because there are certain people that deal with that platform.

276

00:39:02,20 --> 00:39:08,420

Having your own platform was tendency away from that and I don't ever have to worry about tendency's email getting intercepted.

277

00:39:08,940 --> 00:39:24,300

Yeah. Yeah, you don't know how many times in a day, if Michelle sends me five emails a day, I have to go to ionus.com log in, take it out of the spam box and then send it to my email box you know so.

278

00:39:25,770 --> 00:39:30,250

00:39:44,369 --> 00:39:54,769

Does anybody object to the purchase of the email auto responder and the URL Tennesseeen.ME for a price of 200 and roughly 80 bucks?

283

00:39:55,250 --> 00:39:57,650

That is one year, that is one year.

284

00:39:57,889 --> 00:39:59,730

There will be a renewal in about a year.

285

00:40:00,430 --> 00:40:03,669

But maybe we'll be so well funded by then it won't matter.

286

00:40:03,830 --> 00:40:06,310

UK, Anybody object to this purchase?

287

00:40:09,710 --> 00:40:16,790

Going once, going twice, going three times.

The vote carries it's unanimous.

289

00:40:19,350 --> 00:40:23,270

No objections. We will now be getting an all responder.

290

00:40:23,470 --> 00:40:29,910

Ooh boy. Okay, the 3rd item up forbids is NO, what's the 3rd item?

291

00:40:31,789 --> 00:40:38,910

Okay. So the 3rd item is from the records committee, which I can do the report as well.

292

00:40:39,150 --> 00:40:40,949

Well at the same time here.

293

00:40:41,789 --> 00:40:48,789

We've been working on a way to get the records, the hard copy records from Maureen to Debbie Joe who.

294

00:40:49,949 --> 00:41:00,949

She and Shaun have graciously offered to hold them in their new building that's at the end of the dead end road, very secure, very remote place.

295

00:41:01,190 --> 00:41:06,150

And we found a fireproof lockable.

296

00:41:07,09 --> 00:41:15,730

File cabinet last night and they picked it up today and it's for the great, amazing price of \$45.

297

00:41:16,890 --> 00:41:22,329

So we'd like to reimburse her for her \$45.

298

00:41:24,370 --> 00:41:30,450

And I don't know if you guys know, but lockable fireproof file cabinets are in the thousands.

299

00:41:30,649 --> 00:41:37,649

So this was really great that we found this and we just wanted \$45 to reimburse.

300

00:41:38,740 --> 00:41:40,100

Okay, any questions on that?

301

00:41:40,340 --> 00:41:42,140

I have one. Does it have any rat holes in it?

302

# The Tennessee Assembly Meeting Transcript

00:41:44,899 --> 00:41:52,980

No, but by picking it up today, if you try to carry it away, you're, you're one tough cookie.

303

00:41:53,300 --> 00:41:58,100

Okay. It struck, it was me and all I could do and a very old little gentleman trying to help.

304

00:41:58,140 --> 00:42:05,170

Oh. Surely you have your hand up and I I'm not trying to overlook you.

305

00:42:05,410 --> 00:42:18,930

I want to hear what you have said about.

306

00:42:19,250 --> 00:42:41,190

Okay. Raise funds, other, oh.

307

00:42:46,789 --> 00:42:51,550

No, I don't know what, I don't know I don't know what you're asking.

308

00:42:51,990 --> 00:42:59,270

Oh. Do you know what she's saying Michelle?

310

00:43:04,520 --> 00:43:08,799

Yeah, I think she means Wait wait.

311

00:43:11,159 --> 00:43:13,960

Okay. No Shirley wait just a minute.

312

00:43:14,159 --> 00:43:15,520

Michelle, do you know what she's saying?

313

00:43:16,239 --> 00:43:21,120

Yeah, Shirley, are you asking how are we paying for the file cabinet?

314

00:43:21,950 --> 00:43:36,510

Yeah annually she said annually, so she's talking maybe she's asking about she's asking about the mail responder annually.

315

00:43:37,69 --> 00:43:39,910

Yeah, Yeah for that annually.

316

00:43:42,159 --> 00:43:48,359

# The Tennessee Assembly Meeting Transcript

That's 365 days from now. I I don't I mean I I don't know.

317

00:43:48,520 --> 00:43:59,960

I mean, surely surely yeah surely surely your microphone is really, really bad.

318

00:44:00,690 --> 00:44:04,129

Everybody's trying to hear you and it's it's really a disruption.

319

00:44:04,769 --> 00:44:15,49

It's possible that you can disconnect, maybe, maybe disconnect from Wi-Fi, reconnect to Wi-Fi and log back in something but we can't heard when you're saying it.

320

00:44:15,450 --> 00:44:26,449

Go ahead, Sean. If if she turns her video off while she's talking on the mic, it'll save her bandwidth and she might get clear voice.

321

00:44:27,529 --> 00:44:31,609

We tried that or we tried that earlier, so before you got here, Mark?

322

00:44:32,970 --> 00:44:35,739

Okay. Just a suggestion, are you?

323

# The Tennessee Assembly Meeting Transcript

00:44:36,100 --> 00:44:37,260

I appreciate it Sean. Yeah.

324

00:44:39,580 --> 00:44:48,539

Surely everything that needs to be renewed, we we know we just have to put it in hands greater than ours that when that time comes, we'll be able to take care of it.

325

00:44:49,329 --> 00:44:58,810

But in the meantime, in the next 365 days, we're gonna do a lot of good with this auto responder and this URL to contact people.

326

00:44:59,210 --> 00:45:03,290

And who knows we might start our own marketplace, who knows?

327

00:45:03,529 --> 00:45:06,770

Anyway. Let's have a vote.

328

00:45:08,90 --> 00:45:24,290

Let's have a vote. Sean still got your hand up, alright, all those of all those who.

329

00:45:24,770 --> 00:45:29,709

Suppose. Spending \$45, would you take 30, by the way?

# The Tennessee Assembly Meeting Transcript

330

00:45:29,830 --> 00:45:44,550

No, just kidding. Spending \$45 to buy a fireproof safe or to reimburse Debbie Joe for buying a fireproof safe to house our most important documents in at their.

331

00:45:45,599 --> 00:46:00,759

Resort over there Platinum County say NO, name, alright.

332

00:46:01,520 --> 00:46:14,240

Silence is golden because that means the vote passed and the the the need to reimburse debbie Joe \$45 for the purchase of a far proof safe is in the books.

333

00:46:16,440 --> 00:46:23,520

On. Yeah, the safe only comes with one key.

334

00:46:24,599 --> 00:46:35,680

So, we will get a couple other keys made and I think that the key should be in a couple other people's hands as well.

335

00:46:36,960 --> 00:46:43,839

So we have to think about that maybe through this time, through the next GA of who is gonna hold them keys.

336

00:46:44,560 --> 00:46:52,639

# The Tennessee Assembly Meeting Transcript

Okay. So do you need the cost of the key you made, you need the cost of the keys added to the to the reimbursement?

337

00:46:53,450 --> 00:47:04,770

Yeah, I have NO idea what that will be, but I'll I'll find a Locksmith here in him County and I mean it can't be much, you know, because we have we have a key, so all they're doing is making a copy.

338

00:47:05,49 --> 00:47:07,370

Right, right. They're \$203 a piece, that's all it is.

339

00:47:08,410 --> 00:47:13,510

Okay. Oh, one more thing quick.

340

00:47:13,830 --> 00:47:19,630

Okay, after each after each one of these votes, do we still want to put a yay in the chat?

341

00:47:20,510 --> 00:47:26,509

So it's on record? Well, if we put in the chat that it was a unanimous.

342

00:47:28,140 --> 00:47:36,220

Non rebuttaled run non rebuted or run rebuttaled motion made, then doesn't that suffice?

343

# The Tennessee Assembly Meeting Transcript

00:47:37,660 --> 00:47:45,340

Should that suffices, that's like the Bevin's thing going once or twice three times if you don't speak up, you have forever hold your peace, so.

344

00:47:46,939 --> 00:48:02,660

Okay, Paul, just from experience you guys, I I think it'd be best for the assembly to put together some sort of document as to where the asset is going to be held.

345

00:48:03,210 --> 00:48:10,210

So that whoever's holding it can sign off on that document that they have it and that can be held in in the assembly fans.

346

00:48:10,370 --> 00:48:19,329

And then also everything that we keep buying, give it an asset number, starting with 00001.

347

00:48:20,50 --> 00:48:36,530

And and just keep going, you know, to infinity as we buy things or whatever, but that that number will have an asset number, it can be tracked or you can put it in an Excel spreadsheet so that we know exactly the number of the asset, who has it and

348

00:48:36,530 --> 00:48:44,910

all that. So that if if somebody leaves or or whatever, which it happens all the time, we don't know if any of us will be here next year.

349

00:48:45,229 --> 00:48:47,69

# The Tennessee Assembly Meeting Transcript

We we hope so, but we don't know.

350

00:48:47,630 --> 00:48:56,190

We want the asset to remain within the Tennessee Assembly and be tracked as to who has it so that the marshal at arms can get it back without a yield.

351

00:48:56,660 --> 00:49:00,19

Thank you Paul. Yeah, we we definitely do that.

352

00:49:01,220 --> 00:49:14,540

David Joe? Yeah, it's I'm glad that it's happening this week, so David can, we can do a certification of where it's located and he, I and one other person will sign off on it.

353

00:49:15,510 --> 00:49:19,70

Very good, very good. Thank you all for moving things forward.

354

00:49:19,310 --> 00:49:22,150

I really appreciate it and all of us appreciate it.

1st some time, just so you know.

367

00:50:33,969 --> 00:50:39,90

Okay. So we took care of the budget committee and the records committee at the same time?

368

00:50:40,90 --> 00:50:42,970

Yep, we did. All right, man, we are rocking and rolling.

371

00:50:56,870 --> 00:51:03,909

I mean we have somewhat of a business international business assembly, but we're going to definitely work on that.

372

00:51:05,460 --> 00:51:08,460

All right, number seven on the item is the new member orientation committee.

373

00:51:08,659 --> 00:51:15,139

Is anybody here that represents that can present them present that report to us?

375

00:51:19,660 --> 00:51:21,499

I used to call it the new world order all the time.

I don't know why, but new member orientation.

Barely. All right i'll try to get a little closer.

379

00:51:34,30 --> 00:51:39,30

The new member orientation committee has not met or has held held any classes lately.

380

00:51:39,870 --> 00:51:43,550

The next class we plan on holding will be the 25th.

381

Next week and we'll we'll start from class one.

382

00:51:50,40 --> 00:51:58,840

I think I've talked to Secretary to convey that message onto the new.

383

00:51:59,470 --> 00:52:09,70

New members. Alright, how many, how many do you think we have lined up to go through the new member orientation starting with class one?

Can someone else answer that?

00:52:18,610 --> 00:52:23,410

With that committee? All right.

388

00:52:24,530 --> 00:52:28,330

Just be nice to know how many new folks are coming coming onto the land.

389

00:52:31,490 --> 00:52:34,290

Okay, David Joe has an answer.

390

00:52:35,830 --> 00:52:39,429

I can share that I've brought four on in the past two weeks.

Oh man, that's good. There's four.

392

00:52:43,750 --> 00:52:50,270

Yeah, there there is a a list of some people that we know have paperwork done that I have.

393

00:52:51,10 --> 00:52:58,90

Being tracked right now. I just don't know if they're gonna go through the new member orientation class or not.

394

00:52:59,649 --> 00:53:05,729

In fact, Ryan and I need to talk about how they, how you want to communicate that there are people.

395

00:53:06,170 --> 00:53:10,970

Do you wanna reach out as a new member orientation to the the newbie.

396

00:53:11,689 --> 00:53:20,810

Or do you just want me to recommend that they go to the class and then give them the information, that sort of thing?

397

00:53:20,970 --> 00:53:26,170

Yes. I would probably say both.

# The Tennessee Assembly Meeting Transcript

398

00:53:27,549 --> 00:53:36,350

It would be nice from a committee perspective to know what we can look out for and reach out to if we don't see them.

399

00:53:38,390 --> 00:53:42,190

Okay. Well, now that you are vetted.

400

00:53:42,630 --> 00:53:54,30

What I can do is just attach you as, what do they call it a follower in ODU.

401

00:53:54,309 --> 00:54:01,310

As soon as I put them in that category, it will attach your email to it and it'll send you an email and let you know that you've been assigned.

402

00:54:01,740 --> 00:54:10,220

And then you can log in and actually see who they are and their emails and what our conversations have been and all of it.

403

00:54:10,860 --> 00:54:11,860

Does that sound reasonable?

404

00:54:14,20 --> 00:54:22,300

Yes, it, it does. I'll take that to the new member orientation committee and I don't know.

# The Tennessee Assembly Meeting Transcript

405

00:54:22,940 --> 00:54:35,20

Thank you. Okay. Okay. I'm I would be on the side of definitely making contact and and persuading them to you know go through them.

406

00:54:35,530 --> 00:54:37,649

That training, that orientation.

407

00:54:38,169 --> 00:54:51,769

Cause, you know, we kinda trust that as being the foundation when someone comes into this assembly and they want to interject and share ideas and stuff we we we we kind of hope that they've gone through that orientation so that at least some of that

408

00:54:51,769 --> 00:55:01,590

indocrination. From out there in the de facto world is not, you know, all being built upon, but they were trying to move forward and restoring our republic.

409

00:55:03,350 --> 00:55:10,350

All right, that's a new member orientation and what May may I, this is Helen.

410

00:55:10,590 --> 00:55:20,310

May I Helen. Hi. I don't know if this is the appropriate time for that, but I did say that I wanted to kind of like work with the new membership orientation.

00:55:27,950 --> 00:55:30,870

Okay. Ryan heard that. Didn't you ryan?

413

00:55:32,270 --> 00:55:38,269

Yes, Helen I will make sure you're copied on all correspondence and hopefully see you next Tuesday.

Elect that officer. Do we do it during this or do we do it at new business?

420

00:56:13,930 --> 00:56:15,09

I need to get that in my head.

I need to get that right up here.

422

00:56:17,49 --> 00:56:19,730

Is that something we do now or do we do it at new business?

423

00:56:20,490 --> 00:56:37,639

And Debbie, Joe? Okay, it would be in new business, I would think that we would have that as a vote, if anybody wants to, but did we not already vote on him to be the on Budsman?

424

00:56:38,40 --> 00:56:40,240

Yes. So that's already been done.

425

00:56:41,190 --> 00:56:43,550

I thought he ran uncontested.

426

00:56:44,469 --> 00:56:47,790

He did. Oh he did? Where was I at?

427

00:56:48,630 --> 00:56:50,709

On your hiatus. Was that here?

428

00:56:52,70 --> 00:56:56,270

Nope. You are he could he could have been voted in before he got vetted, could he?

429

00:56:58,160 --> 00:57:01,600

He was in Yes, he just wasn't vetted yet.

430

00:57:02,440 --> 00:57:04,319

Okay, hey congratulations, Mike.

431

00:57:04,720 --> 00:57:10,159

You're the on Buzzman. Alright, well that's a mute point.

# The Tennessee Assembly Meeting Transcript

K kicked me in the butt and call me stupid.

433

00:57:13,600 --> 00:57:15,360

All right, let's go on to the vetting committee.

434

00:57:17,190 --> 00:57:19,269

Anybody here with the vetting committee would like to report?

435

00:57:20,630 --> 00:57:22,949

I am Victoria. Hi Victoria.

436

00:57:24,30 --> 00:57:28,389

I was, he kind of jumped the gun on me, but, I just wanted to recap on the vetting.

437

00:57:29,70 --> 00:57:31,309

Barbara was passed on 30 January.

438

00:57:31,510 --> 00:57:35,430

Mike for on Bezman was passed on 2525 and we're.

439

00:57:35,790 --> 00:57:39,990

Ryan was passed for Malicia commander just the other day.

# The Tennessee Assembly Meeting Transcript

440

00:57:40,150 --> 00:57:42,870

I don't have the exact day on my what day was.

441

00:57:43,310 --> 00:57:46,830

The 17th on January, on 17 February.

442

00:57:47,509 --> 00:57:49,509

So those are the three that we have vetted as of now.

443

00:57:49,670 --> 00:57:51,909

So, they are all good to go.

444

00:57:52,590 --> 00:57:58,829

And that's all I have. We have another meeting coming up to train the people who haven't been trained and that's it.

445

00:58:01,90 --> 00:58:02,330

Alright, thank you Victoria.

446

00:58:03,90 --> 00:58:10,569

Mike had a hand up? Yes, now that I've learnt how to navigate my volume on and off.

# The Tennessee Assembly Meeting Transcript

447

00:58:12,769 --> 00:58:16,609

Thank you for the votes and thank you for.

448

00:58:17,760 --> 00:58:23,559

Giving me this opportunity to serve the General assembly.

449

00:58:23,840 --> 00:58:32,919

I look forward to it. I think it's gonna be awesome for us to get together and.

450

00:58:33,720 --> 00:58:40,80

Hopefully, navigate through some rough patches whenever they come about.

451

00:58:40,999 --> 00:58:43,960

I thank you again in I yield.

452

00:58:45,400 --> 00:58:48,40

Appreciate your hard work Mike and all that you'll do in the future.

453

00:58:48,920 --> 00:58:52,760

And heavy Joe was next and then I don't know if it was David or Victoria.

# The Tennessee Assembly Meeting Transcript

454

00:58:55,559 --> 00:58:59,160

Oh David Joe is done, who wants to go 1st?

455

00:58:59,280 --> 00:59:01,839

David or Victoria? I will.

456

00:59:02,40 --> 00:59:11,840

I just had regarding Ryan, I know I talked to Paul about it, but to bring up since you brought up the election part, what's the process for Ryan?

457

00:59:15,440 --> 00:59:23,600

I suppose we'll, if he's been fully vetted and he's running for an office, he's running for Malicia what?

458

00:59:23,760 --> 00:59:30,999

Commander? Correct. Yeah chair commander, I think state.

459

00:59:31,800 --> 00:59:34,520

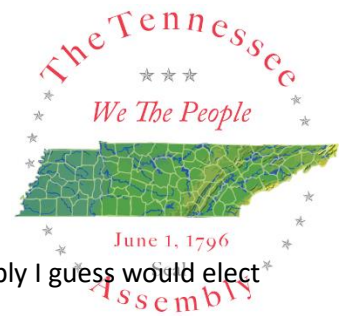

We have to work on the agree upon the the verbiage.

460

00:59:34,920 --> 00:59:37,559

But the chair and I think the state commander are the same position.

# The Tennessee Assembly Meeting Transcript

461

00:59:39,600 --> 00:59:51,00

Well, those aren't that's not a journal assembly office, so, but the Journal assembly I guess would elect that particular office in order to oversee the, that pillar.

462

00:59:52,560 --> 01:00:08,239

So it I would, I would I'm just guessing, but I would think that this body would elect that office for that pillar, and then that pillar would carry forward under that elected official title.

463

01:00:09,380 --> 01:00:10,740

Is that correct? Does that sound good?

464

01:00:12,20 --> 01:00:18,660

Anyone to discuss that or they got any different ideas or all of those offices come through this, this assembly?

465

01:00:18,820 --> 01:00:24,100

Yeah, yeah, yeah. And then they carry on as men or women, which maybe the case.

466

01:00:25,709 --> 01:00:31,670

So do we do that now? So let's try that the new way.

467

01:00:33,30 --> 01:00:34,670

Okay hold on, I gotta write it in there.

# The Tennessee Assembly Meeting Transcript

468

01:00:35,309 --> 01:00:36,550

Yeah, you gotta put it in the thing.

469

01:00:37,269 --> 01:00:39,710

So we're we're voting for Ryan.

470

01:00:40,380 --> 01:00:49,540

Okay to be the Malicia commander/committee/something.

471

01:00:53,740 --> 01:01:00,180

You guys, you guys really should do it proper and not, not run anything into the assembly right now and then.

472

01:01:00,460 --> 01:01:05,250

Total. He's already been acting in that spot for long enough.

473

01:01:05,570 --> 01:01:14,90

He's still doing it in term, interim is always fine, but at least put a notice up on the website, something that that this election is taking place.

474

01:01:14,809 --> 01:01:21,170

# The Tennessee Assembly Meeting Transcript

That way if there's anybody else that wants to try to run against him or whatever, at least they can and they can have time to go through vetting and every.

475

01:01:21,210 --> 01:01:32,809

Nothing else and then his vote would happen next week or two weeks from now, but he would, he would still act in that position in term while that happens just so it's done properly.

476

01:01:34,250 --> 01:01:37,730

I thought we're all I thought we were all pro tim until we have an actual election.

477

01:01:38,410 --> 01:01:40,690

Yes, that's my understanding too.

478

01:01:41,130 --> 01:01:50,370

So, I mean everybody that's Mike, me, we're all protempted to we have an official election that's in the paper and all that stuff, and then it becomes real.

479

01:01:50,889 --> 01:01:51,729

That's what we're trying to do.

480

01:01:51,889 --> 01:01:54,730

We're trying to gather, we're trying to gather those candidates.

481

# The Tennessee Assembly Meeting Transcript

01:01:55,200 --> 01:02:07,680

To have that election in the protein basis, and that's all correct, but you can't, you can't just assume that everybody that's part of the assembly is here tonight and say, ok, we're gonna push this through real quick and then next week you have

482

01:02:07,680 --> 01:02:15,200

people that weren't here today saying, hey, I wasn't part of this, nothing went out all that it just he's already doing the job already.

483

01:02:15,200 --> 01:02:20,840

Need protem, give them at least a week so you could tell the assembly that, hey, we're voting on this next week or whatever.

484

01:02:21,39 --> 01:02:24,200

I just don't agree with doing votes right when stuff is brought up.

485

01:02:27,600 --> 01:02:43,399

Okay. You know, but there's NO rush like you know but some that are here tonight might not be here next week you know public notice.

486

01:02:45,910 --> 01:02:50,270

Well, it's just a reaffirmation vote basically at this point.

487

01:02:54,509 --> 01:02:56,870

# The Tennessee Assembly Meeting Transcript

I mean, he's already acting as pro ten.

488

01:02:57,150 --> 01:03:05,470

I don't think there's really any harm in just kind of reaffirming that this is what we want to do until we can hold an election.

489

01:03:05,910 --> 01:03:10,189

Yeah, ok. All right. So what do we do that?

490

01:03:10,390 --> 01:03:25,989

We just make a blurb on the website and and leave it till the next meeting and then it goes out into the goes out into the agenda and an invitation next time and that this will be covered during this journal.

491

01:03:26,200 --> 01:03:28,429

Assembly please attend. Type thing.

492

01:03:29,229 --> 01:03:32,110

All right. Sounds good. I think Barbara had something in the chat.

493

01:03:32,310 --> 01:03:34,70

I hadn't got the chat open Barbara, just a second.

No, yeah. Oh Barbara says yes.

496

01:03:40,389 --> 01:03:41,510

I don't take that, I guess.

497

01:03:42,349 --> 01:03:46,790

I have someone who has done status change already, I shall be as Shirley.

498

01:03:49,510 --> 01:03:51,230

We need to follow Paul. No.

499

01:03:53,190 --> 01:03:58,870

Paul's a good influence, but we need to work together as a people.

500

01:04:01,109 --> 01:04:03,630

That's what we do is we work together as a people.

Paul is a good influence. He's got a lot of experience, but we work together as a people.

502

01:04:09,740 --> 01:04:12,59

I don't follow any man or woman.

503

01:04:13,59 --> 01:04:13,980

I want y'all to know that.

504

01:04:14,219 --> 01:04:20,820

I don't follow another human, another person, another man, but I will go along with the people.

505

01:04:23,500 --> 01:04:26,140

All right. None of us should follow.

506

01:04:26,300 --> 01:04:33,300

We all lead together. It's self governing by ourselves, not by ourselves.

507

01:04:33,659 --> 01:04:36,260

We govern the state ourselves, right?

508

01:04:36,700 --> 01:04:43,260

Right. Yeah. Together. Wait, David has his hand up Barbara.

# The Tennessee Assembly Meeting Transcript

509

01:04:43,459 --> 01:05:02,120

Hold on. Okay. Yeah, my comment saying how I'm a patient man, like Mike is goes all the way back to Mike and saying to Mike, thank you for being a patient man, Mike and going through this and still being willing to stand up for your state.

510

01:05:02,530 --> 01:05:05,210

As the investment. I appreciate you ma'am.

511

01:05:05,570 --> 01:05:08,90

Very much. Thank you. With that are you?

512

01:05:10,570 --> 01:05:16,209

Man's got tenacity. Okay Barbara, what would you like to say?

513

01:05:16,730 --> 01:05:22,10

Well, I think you took what I said the wrong way because it was tied into into the chat.

514

01:05:22,490 --> 01:05:27,370

I meant following his directions on how we should do the vote.

515

01:05:27,690 --> 01:05:32,169

# The Tennessee Assembly Meeting Transcript

I didn't mean follow him. I didn't mean follow a person.

516

01:05:32,810 --> 01:05:34,490

I know we have to self govern.

517

01:05:34,650 --> 01:05:35,770

I talk about that all the time.

518

01:05:36,410 --> 01:05:40,170

I only meant what he was saying about the vote was correct.

519

01:05:40,370 --> 01:05:46,210

That's all. I. Well, that came after I read the part about We need to follow Paul.

520

01:05:46,409 --> 01:05:49,570

So anyway, but anyway, I did not mean that.

521

01:05:49,849 --> 01:05:52,370

So please understand what I'm saying.

522

01:05:52,690 --> 01:05:54,890

I did not mean how you took it.

01:05:55,490 --> 01:05:58,09

Alright, let's on. The IT committees up next.

524

01:05:58,530 --> 01:06:01,10

No, I may I This is Helen.

525

01:06:01,410 --> 01:06:17,609

Yes, please. With regards to the voting, is there somehow, something could be put in place like for absentee voting, those who may not come attend the meeting either because they're working up for whatever.

526

01:06:18,450 --> 01:06:24,10

A reason for whatever the cause, is there something that we can put in place where.

527

01:06:24,770 --> 01:06:30,290

People can handcast their votes and at least be able to have a voice?

528

01:06:31,330 --> 01:06:35,90

Yes, Helen there is. You want, you wanna go by Mary or Helen?

529

01:06:35,770 --> 01:06:40,969

# The Tennessee Assembly Meeting Transcript

Helen is fine. Yes, so when we have the real election, we have ballots.

530

01:06:41,430 --> 01:06:54,149

The actual, they can download them from the website or if we need to mail them to them, but there will be actual ballots available and they will have all the officers and what they're running for and et cetera on the ballot, and they will have a

531

01:06:54,149 --> 01:07:01,430

spreadsheet that you know everybody gets a number and we'll know which ballots come back and all that sort of thing and it will be a real election.

532

01:07:01,590 --> 01:07:11,190

Okay yeah ok now now and and that's that's for that bigger election, but what about for like what we're doing here within the assembly?

533

01:07:11,470 --> 01:07:13,350

Is, is that something that could be possible?

534

01:07:14,790 --> 01:07:20,910

Well, in the assembly, when we're doing pro cam, I don't know if you know what that means but it's like it's someone who's filling a slot.

535

01:07:21,620 --> 01:07:39,460

# The Tennessee Assembly Meeting Transcript

Until the real election takes place and, and the probtam is just raise your hand and it's tabulated in the chat and is documented in that way and then that that individual takes on that role and and it gives time others as Paul mentioned, time for

536

01:07:39,460 --> 01:07:41,140

others to step up in case they wanna.

537

01:07:41,420 --> 01:07:43,60

Be considered for that office.

538

01:07:43,259 --> 01:07:47,940

So it's not the, it's not, it's not cut and dry.

539

01:07:48,99 --> 01:07:53,220

It's, it's it's just something that we figured out is the best process right now for the state that we're in.

540

01:07:53,819 --> 01:07:59,579

Okay. And it's working and that's all we really have to go on at the moment at time at the time.

541

01:08:00,280 --> 01:08:07,919

Oh, ok. And I meant for other issues also not not just for for that but for other issues that we'd be voting on also.

542

# The Tennessee Assembly Meeting Transcript

01:08:08,280 --> 01:08:10,520

Just to kind of like throw that out for consideration.

543

01:08:11,600 --> 01:08:14,560

Yeah, well usually, usually when they're lesser.

544

01:08:15,960 --> 01:08:30,480

Lesser items like, make a motion to do this or that, you know, and somebody makes a motion and we talk about it and all that sort of thing, then somebody seconds the motion, then we can vote on lesser items, you know, in that meeting.

545

01:08:31,560 --> 01:08:38,600

I like tonight, you know, we did the we bought, two hard drives, auto responder and reimburse somebody.

546

01:08:39,80 --> 01:08:42,00

Those were lesser items and we've talked about it.

547

01:08:42,199 --> 01:08:51,360

We took a vote and then, you know, it's went into the record as being so but that doesn't involve people's lives and so forth so much.

548

01:08:51,640 --> 01:08:56,40

Was someone taking on the role of an officer in the assembly, so we give that a little more time.

# The Tennessee Assembly Meeting Transcript

549

01:08:56,719 --> 01:09:00,600

Thank you and not you. Okay, Hope that answered your question.

550

01:09:01,160 --> 01:09:06,39

Sean? Actually Michelle was before me.

551

01:09:07,640 --> 01:09:08,840

Michelle I'm sorry. Go ahead.

552

01:09:09,680 --> 01:09:11,199

Okay, I just need clarity.

553

01:09:11,440 --> 01:09:15,600

Are we voting in 30 days, which would be 18 March or.

554

01:09:16,440 --> 01:09:18,640

The next GA, which is 4 March.

555

01:09:22,239 --> 01:09:26,360

The next GA is two weeks. What does the assembly wanna do?

# The Tennessee Assembly Meeting Transcript

556

01:09:26,600 --> 01:09:33,799

30 days or two weeks? Two weeks, two weeks.

557

01:09:34,450 --> 01:09:37,250

Two weeks, two weeks, two weeks, two weeks.

558

01:09:37,970 --> 01:09:42,130

It looks like two weeks already got a unanimous response there.

559

01:09:42,730 --> 01:09:48,250

72 %, I knew it was. Okay, thank you.

560

01:09:49,89 --> 01:09:54,460

All right, now Sean. Vicky, were you up before me?

561

01:09:57,99 --> 01:10:04,580

Okay. I just wanted to put that, you know, in order to vote on the smaller things, you have to be in good standing.

562

01:10:04,700 --> 01:10:06,939

So which means you gotta be participating.

# The Tennessee Assembly Meeting Transcript

563

01:10:07,140 --> 01:10:12,980

So you can't just be out in limbo for six months and then, you know, expect to get a voice and.

564

01:10:13,260 --> 01:10:14,740

Something that you're not participating in.

565

01:10:15,869 --> 01:10:22,950

I yield? Yeah, and that's we're we'll hope to use that I'll responder to to rectify some of this.

566

01:10:24,390 --> 01:10:34,470

Victoria? I'm just wondering if, if Helen was referring to the fact that in two weeks if she can't make the assembly meeting, is there a way for her to vote?

567

01:10:34,949 --> 01:10:40,389

Meaning. IE. Email. That that's what I was understanding.

568

01:10:41,390 --> 01:10:44,629

I yield. Is that what you meant Hilla?

569

01:10:45,870 --> 01:10:55,670

Well, actually just to kind of you know that or anything else in, in general that would be important just to be able to have a voice because I've I've started working now, so.

# The Tennessee Assembly Meeting Transcript

570

01:10:56,509 --> 01:10:58,750

Sometimes I may not be able to be in the meetings.

571

01:11:00,310 --> 01:11:05,829

Okay. You know what they call that Proxy by proxy or something like that?

572

01:11:05,989 --> 01:11:10,590

Is that what the word is or is that a defecto word or maybe we ought to figure out a way to do that.

573

01:11:13,790 --> 01:11:16,150

Victoria's hands down. Paul was.

574

01:11:16,310 --> 01:11:29,590

Up next? Yeah, though, the only reason I was saying anything about with Ryan running is because of the mass confusion we had before like right now Denay is not here.

575

01:11:30,230 --> 01:11:33,349

So I have myself, I have NO clue.

576

01:11:35,730 --> 01:11:42,49

# The Tennessee Assembly Meeting Transcript

There's denaye. So what the reason why I was saying to run it for two weeks is because you need to know if Dinee is running against him.

577

01:11:42,489 --> 01:11:46,530

If Dane is not running against him and he's the only malicious commander, then it's a different thing.

578

01:11:46,690 --> 01:11:55,169

But if he has somebody running against him, we needed time and I didn't think Dineey was here, so I was trying to make sure that we had that time, but she's here.

579

01:11:55,810 --> 01:11:59,649

Video. I thought Denaide just stepped down from that position.

580

01:11:59,770 --> 01:12:06,730

Commander, David Joe? Or Denaide?

581

01:12:07,370 --> 01:12:10,49

Yeah, that that's me. Thank you for that Paul.

582

01:12:10,289 --> 01:12:11,450

Actually, I appreciate that.

583

# The Tennessee Assembly Meeting Transcript

01:12:11,810 --> 01:12:16,330

Kind of feeling that was a little bit of respect paid so and I, and I appreciate that so.

584

01:12:16,570 --> 01:12:24,30

Might. So I just wanna be clear on what the process is that we're going through here now.

585

01:12:24,470 --> 01:12:30,870

I recently as of 23 January resigned from the position of being the commander of Tennessee Malaysia.

586

01:12:31,429 --> 01:12:36,430

The reason that I resigned from that position is because it was a redundancy.

587

01:12:37,420 --> 01:12:49,220

In the position, that meant that Ryan and I both held the same position, and Ryan was there long well few months before I was.

588

01:12:49,820 --> 01:12:52,19

He was already chair of the malaysia.

589

01:12:52,800 --> 01:12:56,280

So it was basically confusion as to what that position was.

590

# The Tennessee Assembly Meeting Transcript

01:12:57,79 --> 01:13:12,280

So in the research that I did, that's what I determined from it was and just to be clear as to what we've done in the Malaysia is that I'm actually the chair of the operations committee, which I was before I resigned.

591

01:13:12,800 --> 01:13:14,800

From being the state commander.

592

01:13:15,810 --> 01:13:33,929

And it's kind of more like a commander coal commander situation now I will not vote against Ryan because I stepped away that so that Ryan could step up in a position that he already was.

593

01:13:34,630 --> 01:13:38,389

Was in? I yield. Okay, thank you.

594

01:13:43,910 --> 01:13:49,830

I don't even know, did we do the IT committee or David Joey still got your hand up?

595

01:13:51,450 --> 01:14:01,890

Okay, so IT committee, we did have a meeting but we took care of the business when we did the purchase orders.

596

01:14:02,210 --> 01:14:03,330

Yeah. All righty, thank you.

# The Tennessee Assembly Meeting Transcript

597

01:14:04,209 --> 01:14:05,730

Now we're on to the treasury committee.

598

01:14:07,129 --> 01:14:10,970

Anyone here from the treasury committee that we You did, you did kinda.

599

01:14:11,930 --> 01:14:18,490

Iterate the savings and checking during the budget/records committee.

600

01:14:19,610 --> 01:14:23,650

So I guess the treasury is taken care of, Seems like David Joe.

601

01:14:25,770 --> 01:14:29,489

Hey, I was just gonna let you guys know I did talk to Kimberly Bullard.

602

01:14:30,130 --> 01:14:31,330

She's got a lot on her plate.

603

01:14:31,730 --> 01:14:40,409

As of today and we probably could use sending some, you know, well wishes and good thoughts her way, but she is still here.

# The Tennessee Assembly Meeting Transcript

604

01:14:40,730 --> 01:14:47,529

She is still, she's just got a lot on her plate so yeah I'm I'm sure she does, yeah.

605

01:14:49,310 --> 01:14:50,550

But thank you for that. Appreciate it.

606

01:14:50,750 --> 01:14:53,590

So we're good on the treasury.

607

01:14:53,990 --> 01:15:02,709

Michelle? Just I got the numbers from Debbie Zimmerman to this morning or was it yesterday or today?

608

01:15:03,230 --> 01:15:05,230

One of the two. They run together now.

609

01:15:05,970 --> 01:15:11,10

So she's also participating by giving me the information that we needed.

610

01:15:11,570 --> 01:15:13,769

Okay, and thank you thank you for that.

# The Tennessee Assembly Meeting Transcript

611

01:15:15,489 --> 01:15:22,850

Okay, if there's nothing else under the General assembly section, we'll move on to the Jural assembly pillar and.

612

01:15:25,130 --> 01:15:30,409

We know that law education and jourl Assembly are both, you know, we gotta work on it.

613

01:15:31,290 --> 01:15:40,10

The journal pool committee, Randy is still the chairman of that and we we don't know if we've lost anybody in that pool.

614

01:15:40,130 --> 01:15:42,89

Randy, what do you think? We still got a pool?

615

01:15:49,860 --> 01:15:52,820

Well, your microphone is turned on, but I don't hear you.

616

01:15:53,980 --> 01:16:07,540

Yeah, so, we know we at one time we had a jury pool, we had some 40 or something people.

617

01:16:08,200 --> 01:16:15,160

But, when that all gets back together again, we'll have to re evaluate where we are in that.

# The Tennessee Assembly Meeting Transcript

618

01:16:18,240 --> 01:16:21,440

Alright, now we'll move on to the Malicia assembly.

619

01:16:23,400 --> 01:16:27,360

Yeah Malicia assembly pillar, I guess that'd be Ryan and then Danielle.

620

01:16:29,189 --> 01:16:38,70

Thanks Stanley. These past two meetings, most meetings this month that we've had have been primarily occupied with preparing for the event.

621

01:16:39,270 --> 01:16:44,310

So if anyone is planning on attending, you're more than welcome to still RSVP.

622

01:16:45,370 --> 01:16:47,610

Or if you want to just email me, that's fine too.

623

01:16:48,690 --> 01:16:53,730

As of right now we are expecting maybe 30 people, maybe upwards to 40, we'll see.

624

01:16:56,530 --> 01:16:59,89

So if anyone needs any additional information, please reach out to me.

625

01:17:00,969 --> 01:17:02,810

And that event starts when?

626

01:17:03,959 --> 01:17:09,159

Friday. Friday the 21st Saturday and Sunday.

627

01:17:09,400 --> 01:17:13,879

It ends on Sunday. What time of the day would you like us to be there on Friday?

628

01:17:15,959 --> 01:17:23,200

Well, on Friday festivities will, well, we're Friday we're just getting together, we expect you.

629

01:17:24,640 --> 01:17:26,999

They can show up as early as noon on Friday.

630

01:17:28,400 --> 01:17:36,159

Okay, Won't get to any exercises or training or, discussions until Saturday.

631

01:17:37,840 --> 01:17:39,840

Alrighty. And then Saturday about 09:00?

# The Tennessee Assembly Meeting Transcript

632

01:17:42,470 --> 01:17:52,589

Saturday at well breakfast starts at 08:00, alright, and Sunday's a half day, is that right?

633

01:17:53,390 --> 01:17:55,469

And Sunday will be a half day, that is correct.

634

01:17:55,990 --> 01:18:03,290

All right, we have. Harder decision.

635

01:18:03,410 --> 01:18:10,170

David Joe? Just a courtesy reminder, please bring your fold up chairs if you like a seat.

636

01:18:11,10 --> 01:18:13,650

Yeah, or or a wooden stump.

637

01:18:16,249 --> 01:18:28,590

Sean. And another reminder is, is that you've got somebody on the fence that is not status corrected, but you want to bring him along or her along?

638

01:18:29,949 --> 01:18:31,350

I think that's fine with us.

# The Tennessee Assembly Meeting Transcript

639

01:18:32,710 --> 01:18:40,320

Is that correct? Right, as long as as long as they don't mind wearing a hood over the head the whole time or what?

640

01:18:42,759 --> 01:18:48,280

Just that that would be a very good way to welcome everybody into the Tennessee assembly.

641

01:18:48,360 --> 01:18:49,799

Now, would it? I don't know.

642

01:18:51,520 --> 01:19:05,50

Mike. I had left a message that I may not be able to show up this weekend because of the weather.

643

01:19:05,850 --> 01:19:07,850

I've been paying close attention to the weather.

644

01:19:09,410 --> 01:19:13,329

Some of you may know that it takes me an hour to get from my residents.

645

01:19:14,210 --> 01:19:23,649

To the interstate, road condition is my biggest issue of course that is safe.

# The Tennessee Assembly Meeting Transcript

646

01:19:24,170 --> 01:19:28,809

But after looking at the weather, it does appear that it's gonna be more favorable.

647

01:19:29,760 --> 01:19:33,40

So I want to keep an eye on the weather.

648

01:19:33,199 --> 01:19:45,840

I want to come and I may just come out Saturday and leave 1st thing Sunday morning and I just wanted to bring that up.

649

01:19:46,430 --> 01:19:55,230

I know I committed to bringing the the hamburger which I want to do and I will do when I come.

650

01:19:56,710 --> 01:20:01,350

It's either gonna be Friday or excuse me, Saturday morning, but maybe.

651

01:20:01,940 --> 01:20:03,220

Friday as early as Friday.

652

01:20:05,580 --> 01:20:08,900

So I'm looking forward to seeing everybody.

# The Tennessee Assembly Meeting Transcript

653

01:20:09,139 --> 01:20:12,660

I hope the weather is favorable, at least for us.

654

01:20:13,660 --> 01:20:18,740

It's unpredictable. The other issue we have here is the Tennessee River is.

655

01:20:19,800 --> 01:20:22,920

Up on the shoulders of the boundaries.

656

01:20:23,480 --> 01:20:36,160

So some of the back roads are projected to be flooded, so I don't want to make a promise when I can't have any control of what the weather's gonna produce.

657

01:20:36,680 --> 01:20:43,479

So with that, hope to see everybody and I'm gonna try every effort to make my way out that way.

658

01:20:44,399 --> 01:20:46,400

Alrighty. Are you, are you?

659

01:20:47,440 --> 01:20:52,520

Thank you Mike. Danielle operations committee under the Malicia pillar.

660

01:20:52,639 --> 01:20:53,520

Do you have anything to report?

661

01:20:56,240 --> 01:21:08,880

No sir. Nothing to report at this time ok you hear me?

662

01:21:10,279 --> 01:21:15,550

No. Hear me ok? No. Yeah, go ahead.

663

01:21:16,389 --> 01:21:17,990

I have a few more things for to report.

664

01:21:19,589 --> 01:21:30,870

So we received numerous donations of food and monetary donations and we feel confident at this time Randy Steer had run a budget analysis.

665

01:21:31,70 --> 01:21:35,750

How much we were gonna spend on food, and I think we will we can cover it internally.

666

01:21:36,790 --> 01:21:46,629

Just wanted to report that back to the GA we have talked about emergency response protocol and the Malicia is making.

# The Tennessee Assembly Meeting Transcript

667

01:21:48,910 --> 01:21:56,230

Some decisions administratively to try and improve the way that we respond to emergencies throughout the state.

668

01:21:57,309 --> 01:22:04,309

Just improve to contact people, have their information available to at least try and attempt to communicate with them.

669

01:22:05,260 --> 01:22:07,860

So it's on our radar to continually improve.

670

01:22:09,380 --> 01:22:19,339

Okay. And we'll be looking into an SOP for the malaysia, and at least primarily some of the.

671

01:22:19,950 --> 01:22:34,709

The three positions under the pillar, the the chair chairman position, the secretary position and the treasurer position, just to get attach a job description and some parameters of what they're supposed to do and put all that on paper.

672

01:22:35,240 --> 01:22:37,200

So it's it's published somewhere.

673

# The Tennessee Assembly Meeting Transcript

01:22:39,280 --> 01:22:49,719

And, I'll put out to the A that we are seeking a secretary for the Malicia to assist with, you know, related secretarial tasks.

674

01:22:50,659 --> 01:23:02,260

To handle we would like this, this person to be vetted for this position eventually to handle private information that the Malicia would like to use to contact our folks on the state.

675

01:23:03,139 --> 01:23:08,100

And lastly, we are thinking of some other events for the later this year.

676

01:23:08,760 --> 01:23:21,359

And we, one of the divisions that we're looking into is is West Tennessee and some maybe some in some BLM land for different different activities.

677

01:23:22,160 --> 01:23:25,39

So we'll have different events that we would, we're contemplating.

678

01:23:25,360 --> 01:23:28,760

Not sure when we'll be able to implement them but that's on the it's on our radar.

679

01:23:28,760 --> 01:23:37,40

Hard to do. And last but not least, our next Malicia meeting will be this Thursday at 06:30 central.

# The Tennessee Assembly Meeting Transcript

680

01:23:39,399 --> 01:23:41,600

A yield. Thank you. Okay, thank you.

681

01:23:41,960 --> 01:23:42,920

Sorry for interrupting you.

682

01:23:43,120 --> 01:23:44,559

I didn't didn't mean to you.

683

01:23:47,550 --> 01:24:03,749

Okay, in the past we've had people from Williamson County Davidson County Blount Sullivan Puntman, Shelby and Hamilton come forward with county reports is are there any of those tonight or any other county that would like to chime in as to what's

684

01:24:03,749 --> 01:24:04,950

going on in their neighborhood?

685

01:24:09,250 --> 01:24:18,970

Okay, any other assembly business before switching to new business?

686

01:24:21,490 --> 01:24:26,489

Any other existing assembly business that we've covered, I missed that didn't get discussed?

# The Tennessee Assembly Meeting Transcript

687

01:24:29,810 --> 01:24:36,290

Alrighty, a standing item under new business.

688

01:24:36,489 --> 01:24:47,450

Is there any new members here with us tonight that would like to speak up and tell us a little bit about them that haven't done so in the past?

689

01:24:47,970 --> 01:24:53,500

I don't see. Anybody that's new ones.

690

01:24:56,99 --> 01:25:06,20

All right, any new business that needs to be introduced and carried over for discussion or emotions and that sort of thing?

691

01:25:06,340 --> 01:25:08,260

Anything that's on your mind that.

692

01:25:09,490 --> 01:25:26,490

I do think, it can't be connected to the journal assembly or anything, but, I'd like for us to talk about a, like a marketplace setting.

693

01:25:28,60 --> 01:25:44,420

# The Tennessee Assembly Meeting Transcript

So that we can generate some revenue for the assembly based on proceeds from where's and services provided by our people and give them an outlet.

694

01:25:44,920 --> 01:25:52,600

For those wares and services and then through donation maybe help support the assembly, the things that it needs.

695

01:25:52,799 --> 01:26:04,560

So so we I'd like to have that as part of a discussion and you know, I'd like to know if it's not a good idea, if it is a good idea, you know, why or why not?

696

01:26:04,880 --> 01:26:11,80

And I'd like to have that in the agenda next week if we I mean next time if we could or or at least within the next month.

697

01:26:13,439 --> 01:26:21,520

Any ideas on that for a couple of minutes or anybody else ever thought of that if it's a bad idea or not or.

698

01:26:24,129 --> 01:26:26,49

David has his poem up and then Michelle.

699

01:26:28,769 --> 01:26:32,09

Yeah, I had brought that up the last Malicia meeting.

# The Tennessee Assembly Meeting Transcript

700

01:26:32,170 --> 01:26:37,650

I said I'd like to have a general assembly meeting in the middle of the state or something like we did before so we can get more people in.

701

01:26:40,979 --> 01:26:49,180

Yeah, I was talking about a market place, you know, where it's actual, you know, you have things for sale and that sort of thing.

702

01:26:49,659 --> 01:26:55,580

But did you you mentioned another general assembly event like we did down in murphysbroade, perhaps or something like that.

703

01:26:56,140 --> 01:27:11,260

Yeah. All right. Michelle had her hand up I was It just popped in my head that maybe the next meet and greet we could plan on having a bake sale.

704

01:27:12,770 --> 01:27:14,529

For to maybe generate some revenue.

705

01:27:15,650 --> 01:27:27,930

Good idea. Good idea. David's suggestion was that we'd like to have another face to face like we did in Murphersburgle that put that on there.

706

# The Tennessee Assembly Meeting Transcript

01:27:28,860 --> 01:27:32,740

You want to like to have a big sale at the next meeting Greek or something of similar?

707

01:27:34,539 --> 01:27:35,700

Alex had his hand up next.

708

01:27:39,620 --> 01:27:41,20

Hey, how you doing? Can you hear me ok?

709

01:27:41,780 --> 01:27:44,779

Yes. Yeah, I I think both.

710

01:27:46,970 --> 01:28:02,850

Working towards having a kind of a, a marketplace of vendors and services and so people can cross connect and generate business and and funnel certain percentages that way, but also I think the.

711

01:28:04,139 --> 01:28:18,500

The state should endeavor to have a, you know, kind of state centric kind of shop with with stuff in it that you go to and buy stuff that is designed specifically to spread the word in whatever way the the people.

712

01:28:19,200 --> 01:28:20,519

Want to spread it as well.

# The Tennessee Assembly Meeting Transcript

713

01:28:20,840 --> 01:28:28,920

It's kind of two kind of separate aspects but I think both of them serve good in purposes.

714

01:28:30,80 --> 01:28:33,599

Okay. Yeah, that it's kind of like the marketplace thing.

715

01:28:34,200 --> 01:28:44,719

And Paul and then Ryan? Yeah, we were talking about this before possibly on a bigger scale with Kentucky.

716

01:28:45,440 --> 01:28:47,919

I was talking about it with Joe from PKTS.

717

01:28:49,600 --> 01:28:53,319

We always wanted to find some sort of property to rent or whatever right on the border.

718

01:28:54,460 --> 01:29:02,459

Tennessee Kentucky, and then possibly do cross trade marketplace with Nexus States, you know, so I mean you can do that.

719

01:29:03,100 --> 01:29:12,740

You can do that all the way around the state where it's connecting with others depending on who's there, you just have a marketplace going on the counties that are close to those areas.

# The Tennessee Assembly Meeting Transcript

720

01:29:13,450 --> 01:29:25,49

But I'm I'm 70 mi south of Kentucky, but we were trying to get it like right on the Kentucky, Tennessee border to have a marketplace to share, but that I'm just adding to what you had.

721

01:29:25,330 --> 01:29:26,450

That's what we had thought about before.

722

01:29:28,09 --> 01:29:35,360

Yeah, good, good, good. I had thought along those lines, but, I lost it.

723

01:29:36,240 --> 01:29:37,880

That's great. I'm glad you're on board with that.

724

01:29:39,640 --> 01:29:44,200

Ryan, yes, I just wanted to show my support for a marketplace.

725

01:29:44,399 --> 01:29:45,280

I think it's a great idea.

726

01:29:46,409 --> 01:30:00,769

# The Tennessee Assembly Meeting Transcript

It'll it'll be a great outlet for lots of creative ideas to to help bolster support and show yeah and and and and create some revenue for the assembly as well.

727

01:30:03,480 --> 01:30:21,200

The thought is that, you know, on our hosting package, we have unlimited ability to load up MySQL databases, you know, databases and, and, and build on build out an app.

728

01:30:22,540 --> 01:30:37,179

Regarding a marketplace that surrounds this community, you know, and everybody could have their own little storefront and we could, you know, publish that and then the idea about a physical location at the border of the two states and then maybe in a

729

01:30:37,179 --> 01:30:41,620

year or so down the road, we got one with Georgia and you know North Carolina, you know.

730

01:30:41,660 --> 01:30:45,420

But as we grow, you know, but then the the the focus is not on money.

731

01:30:45,579 --> 01:30:50,820

I know that it's it's we need our government up and running, but that could help us get there by having the revenue.

732

01:30:52,230 --> 01:30:57,870

Michelle? You're muted a little bit.

# The Tennessee Assembly Meeting Transcript

733

01:30:58,510 --> 01:31:05,789

Yes, I was noticing Shirley had put in the chat that she suggested a barbecue to attract the general public.

734

01:31:07,139 --> 01:31:10,739

Oh, yeah. Oh, I thought she said blog, it is barbecue.

735

01:31:13,340 --> 01:31:15,740

Okay, very good. Yeah. Barbecue is always a good idea.

736

01:31:16,500 --> 01:31:23,890

Yeah. Yeah. Okay. Alex still have a hand up?

737

01:31:28,930 --> 01:31:37,729

Yeah exactly the same concept as a car a car wash but you know a little more elegant, but any number of ways that you could interact with that way and.

738

01:31:38,540 --> 01:31:44,579

In any, you know, in any number of sharp, you know, shopping centers or whatever, any number of places, you know?

739

01:31:44,940 --> 01:31:48,100

# The Tennessee Assembly Meeting Transcript

Yeah. To to be seen, to be seen and heard in a positive way.

740

01:31:49,100 --> 01:31:55,259

Are you? And looks like Shirley is next and then Helen.

741

01:32:00,869 --> 01:32:12,628

Well, you're breaking up, but do the best you can, we'll try what we do yeah thank you.

742

01:32:12,828 --> 01:32:14,549

I see that. Hand up material.

743

01:32:15,29 --> 01:32:16,389

Of what we are and what we do.

744

01:32:16,509 --> 01:32:21,629

Yes. Appreciate that. We just have to get the brochures made again.

745

01:32:23,909 --> 01:32:31,869

Okay and Helen, what say Mary Helen?

746

01:32:36,929 --> 01:32:38,609

You're you're muted Helen?

# The Tennessee Assembly Meeting Transcript

747

01:32:49,889 --> 01:32:52,728

Can you hear me now? Okay, go ahead.

748

01:32:52,968 --> 01:32:54,529

This this thing is kind of crazy.

749

01:32:54,689 --> 01:32:56,929

I'm sorry. It's not doing what it's supposed to be.

750

01:32:56,929 --> 01:32:58,929

I do. I have to learn how to operate this.

751

01:32:59,328 --> 01:33:13,128

So anyway, a while back, I think what last year before we had the, the last Malicia meetup, we had talked about promoting ourselves through that of.

752

01:33:14,439 --> 01:33:33,799

The QR code where we can, you know, formulate that and attach it to our vehicles and people can like scan that as they go and then they, it could take them to our general assembly site or whatever, you know, site that would, you know.

753

01:33:34,439 --> 01:33:36,958

# The Tennessee Assembly Meeting Transcript

That would give the public information about us.

754

01:33:37,879 --> 01:33:54,239

The reason why I felt like that would be an excellent means of of also getting, you know, exposure into the public is because all the time, all the time I am following behind vehicles or I.

755

01:33:54,409 --> 01:34:07,88

I would make the black four to five times just to come back and try to take a picture of advertisements of logos or signs that's posted construction signs.

756

01:34:07,679 --> 01:34:18,519

I've done that for years. I've always done it and I felt like that was an excellent means of of of advertisement and getting who we are out.

757

01:34:19,479 --> 01:34:20,839

What, what do y'all think about that?

758

01:34:21,719 --> 01:34:25,628

And I yell. Well, that's a, that's an excellent idea.

759

01:34:25,909 --> 01:34:43,829

Sure, we've we've talked about that, you know, anyone can take our website, the tendency assembly.org and type it into a URL code generator and you can make your own UR code and you can have it printed and you put it on a sticky.

# The Tennessee Assembly Meeting Transcript

760

01:34:44,29 --> 01:34:45,709

You can do whatever you want to with it.

761

01:34:46,669 --> 01:34:58,668

But what about us as, as a, as a group, as a unit, doing that, you know, for all of us, you know, to put it on our vehicles or whatever.

762

01:34:59,189 --> 01:35:05,949

Oh, yeah. And that could also be something that we could put like in restaurants on their either on their way.

763

01:35:06,308 --> 01:35:18,109

Those are on their board and as people, you know, just like they post their business cards and stuff It post office has, you know, the boards places like crogas and.

764

01:35:18,749 --> 01:35:21,29

And, and, other business and stuff like that.

765

01:35:21,388 --> 01:35:23,349

I I think that's a good idea too.

766

01:35:24,989 --> 01:35:29,109

# The Tennessee Assembly Meeting Transcript

It is, it is. That's, that's called recruitment, you know, getting the word out.

767

01:35:29,749 --> 01:35:32,629

Yeah. And everyone is free to do that.

768

01:35:34,788 --> 01:35:38,589

There's nothing to holds you back from doing that you know on.

769

01:35:38,789 --> 01:35:43,989

Your own or we don't have a committee in place right now that.

770

01:35:44,869 --> 01:35:47,748

Handles that sort of thing, I don't even know what it's called at the moment.

771

01:35:48,188 --> 01:35:49,429

Outreach committee, is that what it is?

772

01:35:51,428 --> 01:35:54,909

But, we need to get that together.

773

01:35:55,148 --> 01:36:04,549

# The Tennessee Assembly Meeting Transcript

That's for sure. But yeah, that's, yeah, everyone's free to do that Okay but but but what the point, what the main point.

774

01:36:04,629 --> 01:36:09,509

Point of it is, is, is for us to do it as as a, as a unit.

775

01:36:09,919 --> 01:36:14,919

Yeah. Go ahead, I'm sorry, go ahead.

776

01:36:15,359 --> 01:36:29,839

Go ahead. I'm sorry, at least to consider it as a as a unit instead of doing it individually, of course you could do it individually, but if we can do that as a as a unit and have a means of getting the.

777

01:36:29,999 --> 01:36:36,718

Information out once it's it's created or whatever and then people can take it and put it wherever in their locations.

778

01:36:40,09 --> 01:36:43,328

Would anyone like to build on what Helen is saying?

779

01:36:44,369 --> 01:36:46,569

I yield. Oh NO you don't have to yield.

780

# The Tennessee Assembly Meeting Transcript

01:36:46,688 --> 01:36:47,969

I'm just gonna get everybody involved.

781

01:36:49,169 --> 01:36:53,648

Paul? Yeah, I think it's a great idea too.

782

01:36:53,809 --> 01:36:56,889

Not all of us know how to do that, that generator or whatever.

783

01:36:57,89 --> 01:36:59,929

It might be a good idea of what are you guys on IT can create.

784

01:37:00,09 --> 01:37:02,249

Update that also and put it on the website.

785

01:37:03,188 --> 01:37:19,68

That way we can take a picture of it and have it printed up ourselves, but it sounds like what she's saying is is like almost trying to get money out of the assembly to create those stickers ourselves as a unit and then send them out to everybody to

786

01:37:19,68 --> 01:37:22,68

put on their things and I I think that's kind of difficult to do.

# The Tennessee Assembly Meeting Transcript

787

01:37:22,789 --> 01:37:29,188

But in my own opinion, it's a lot easier just to go down and have some stickers made yourself if you want them.

788

01:37:29,789 --> 01:37:36,308

But having that code on the website where we could take a picture of it and take that down to make the stickers would help too.

789

01:37:37,388 --> 01:37:40,119

But that's my opinion. Thank you.

790

01:37:43,158 --> 01:37:50,239

David Joe, it's unrelated, so wait till the end I have something to say.

791

01:37:50,879 --> 01:37:54,799

Okay, so, Helen? Are you still there?

792

01:37:57,589 --> 01:38:15,589

Yes. Okay, so, so the the point being, yeah, as a group, you know, we could, we could muster up some funds perhaps and then have some printing done and we'd we we have some, we have some pre existing brochures that a couple of versions of them that

793

01:38:15,589 --> 01:38:23,469

# The Tennessee Assembly Meeting Transcript

we at one time. Try to get to the printer and take and have a an allotment made to those and.

794

01:38:24,629 --> 01:38:28,189

And now we have little business cards that you can print up.

795

01:38:28,789 --> 01:38:30,109

There's a template for that.

796

01:38:30,629 --> 01:38:39,388

And you can print most of these things on your printer at home, if you have the template on your computer, if you have a computer, and so there's different ways of doing it.

797

01:38:39,549 --> 01:38:43,269

You know, the assembly could do it as a whole or you know we're free to do it as individuals as well.

798

01:38:45,829 --> 01:38:54,668

Okay your question, but that's kind of what that's kind of the options we have.

799

01:38:54,829 --> 01:39:03,589

We can, you know, if we take a table to a yard sale or a or a county fair and we put brochures on it and we talk to people and we.

800

# The Tennessee Assembly Meeting Transcript

01:39:04,829 --> 01:39:12,149

Have a t shirts and hat bands and different things and bookmarks that have the Tennessee General assembly on it and so forth.

801

01:39:12,309 --> 01:39:13,869

You know, those are all wonderful ideas.

802

01:39:14,309 --> 01:39:20,988

Right. That's just something that we haven't really been into on a level that we could say that we've proved successful.

803

01:39:21,979 --> 01:39:36,779

I mean, I had 2500 brochures here in the house one time and I took them to another, individual that wanted them and they, you know, I still got 50 of them and it's just it's just not something that we have.

804

01:39:39,48 --> 01:39:42,649

Championed so far and we do need to work on it.

805

01:39:43,209 --> 01:39:54,409

You know, and and this this is a this is a point for consideration too since y'all have access to like 400 some members that's a part of the, the, the GA.

806

01:39:55,209 --> 01:39:58,49

May maybe if we could put out.

# The Tennessee Assembly Meeting Transcript

807

01:39:58,329 --> 01:40:05,48

Something that would invite people according to their skills or whatever, there might be somebody who knows about.

808

01:40:05,619 --> 01:40:21,178

The QR code and how to generate all of that and and and and they can do that as a task or whoever, whatever little menial tasks that can be done where people don't have to be brought into an office.

809

01:40:21,899 --> 01:40:25,899

Of our position in order to do, you know, people can volunteer to help.

810

01:40:26,699 --> 01:40:35,338

So, yeah, well we have an IT committee for that and every one of those, every one of those individuals are highly skilled.

811

01:40:35,539 --> 01:40:41,89

Oh man, highly skilled. And they have volunteers under them to help and and assist?

812

01:40:41,649 --> 01:40:44,289

Well, they just point the finger at each other and say, you go do it.

813

01:40:46,489 --> 01:40:57,129

# The Tennessee Assembly Meeting Transcript

Okay, ok. All right. And by the way, all of the the different avenues that you did bring up regarding all of the little merchant deal.

814

01:40:57,369 --> 01:40:59,609

Those at the borders and stuff like that.

815

01:41:00,369 --> 01:41:14,449

Yeah. I think that that QR code would promote a whole lot with the If people see these vehicles and stuff like that, these details on vehicles and stuff like that in addition to the cards and whatever else.

816

01:41:15,448 --> 01:41:22,449

I'll tell you what, Helen, if it'll help you between myself and Michelle I have a little more time than she does.

817

01:41:23,49 --> 01:41:34,569

How about I take a ritigate page on the website and do a QR code and what a business card will look out like representing the assembly with a QR code on.

818

01:41:34,809 --> 01:41:46,889

Did and a website address and just a couple little samples that might, and, and I don't know about putting the brochure up there because if I do, somebody will download it won't be it won't be accurate, so right.

819

01:41:47,89 --> 01:41:52,49

Just a couple of samples to give you an idea of what this of this discussion, what, what's involved in it.

01:41:56,239 --> 01:41:57,358

Probably after the meetup.

822

Oh, you're very welcome. Thank you for the conversation.

824

Okay, I think Debbie Joe has a new item.

825

01:42:10,799 --> 01:42:12,438

Are we done with all new business?

826

No, we haven't wait hold on hold on hold on.

Do you need this in the meeting?

# The Tennessee Assembly Meeting Transcript

01:42:47,709 --> 01:42:50,189

So anybody would like to say we can adjourn the meeting?

835

01:42:50,349 --> 01:42:51,908

We got a motion in a second.

836

01:42:53,389 --> 01:43:05,189

Randy Styer makes a motion that we adjourn the meeting by raising his hand and looks like Ryan did a second and Michelle did the 3rd and ok, meeting adjourned.
