HOW TO GET YOURSELF HEARD

All committees are formed in a General Assembly meeting, where all qualified participants (fully published & NMO complete, domiciled on Tennessee one year and one day, autographed & sealed Participation Agreement) have an equal opportunity to join. Committee sizes will generally be around 5 (not a fixed number) and can grow w/the active number of qualified participants in regular attendance. New members may attend these meetings upon invitation, just not nominate/vote in committee matters. This Assembly is the only recognized Tennessee Assembly with provenance. We are a committee-based organization. It is always open to allow qualified participants to join committees - we require that you have your paperwork done and complete the NMO classes and Knowledge Review first and be willing to covenant with us by signing and sealing your common courtesy Participation Agreement.

JUST FOR REFERENCE

There are recommended and necessary committees under each of the 4 Pillars. This is a basic representation of the four pillars.
