To eliminate all conflict and false allegations, is there anyone in attendance at today’s meeting who is a member or agent of any law enforcement agency or public agency of the federal, state, county, city or township agencies present? Is there a response to the Bivens decision for the first / second / third time?”

### Follow by reading once:

“Anyone who is here under false pretenses, anyone who is working for any foreign government including the Territorial United States or Municipal United States, anyone who is being paid or coerced to be here, must fully disclose their presence and purpose now, or leave the premises or this conference call.”
