The Bivens Decision

See: Bivens vs. Six Unknown Agents, 403 U.S. 388 (1971)

Read Three Times: *Updated Version shared via Lisa – Word document below*

“This meeting is private. Bearing false witness, misrepresentation, and posting inflammatory rhetoric in public forums is forbidden and shall be addressed in an appropriate manner. To eliminate all conflict and false allegations, is there anyone in attendance at today’s meeting who is a member or agent of any law enforcement agency or public agency of the federal, state, county, city or township agencies present? Is there a response to the Bivens decision for the first / second / third time?”

Follow by reading once:

“Anyone who is here under false pretenses, anyone who is working for any foreign government including the Territorial United States or Municipal United States, anyone who is being paid or coerced to be here, must fully disclose their presence and purpose now, or leave the premises or this conference call.”

If they subsequently show up as Federal Witnesses, they are discredited for failure to disclose.

Are you now or have you ever received money or “personal support” of any kind from the intelligence community?

Upon no response to this Notice of the Biven’s Decision, this meeting shall now proceed.
