### The Bivens Decision

See: **Bivens vs. Six Unknown Agents, 403 U.S. 388 (1971)**

Read Three Times:

“This meeting is private. Bearing false witness, misrepresentation, and posting inflammatory rhetoric in public forums is forbidden and shall be addressed in an appropriate manner. To eliminate all conflict and false allegations, is there anyone in attendance at today’s meeting who is a member or agent of any law enforcement agency or public agency of the federal, state, county, city or township agencies present? Is there a response to the Bivens decision for the first / second / third time?”

### Follow by reading once:

“Anyone who is here under false pretenses, anyone who is working for any foreign government including the Territorial United States or Municipal United States, anyone who is being paid or coerced to be here, must fully disclose their presence and purpose now, or leave the premises or this conference call.”

If they subsequently show up as Federal Witnesses, they are discredited for failure to disclose.

Are you now or have you ever received money or “personal support” of any kind from the intelligence community?

Upon no response to this Notice of the Biven’s Decision, this meeting shall now proceed.

## ASSEMBLY BUSINESS presentations, moves

1. Move to Adopt Last Agenda and Meeting Minutes for December 16<sup>th</sup> 2025
2. Start discussion on PKTF – there are a lot of uncertainty with some of the information and to protect Tennessee we need to discuss it is conflicting with Foundational understanding. This would be amendment to the Move we made to concentrate on the state level first so that it can fully support counties.
- 3.

## Old Business

1. Start discussion on PKTF – there are a lot of uncertainty with some of the information and to protect Tennessee we need to discuss it is conflicting with Foundational understanding. This would be amendment to the Move we made to concentrate on the state level first so that it can fully support counties.
2. Please send Affirmations in so they can be recorded and will send Originals Back. **(will be getting the ones on my desk back out this week) If you did not send me the Original please do so.**
3. Fiscal Year – *explain*. We have gotten to a pivotal point in the journey. We are starting are Fiscal year and have closed 2025.
  - a. This is a great start to organize your files, record moves in committees and log your records properly and accordingly. If any committee would like to meet and have an explanation to the why, how, what and what for; then please let me know. I will attend your meeting and explain the history and the importance of why we do this.
4. YouTube channel – We need this to so that Debbie Jo is not using her business account for this to be able to share recordings with people. (asking as IT to have assembly decide) Names – The Tennessee Assembly? We can create a domain and we can link website to it and other items. It could be used as outreach and ways for people to share things on other accounts. Also, when monetized it will funnel into the Treasury. IF it GETS Monetized. Most platforms use paypal to receive funds transfers.
5. Sent Anna information that she has requested. The Election Process Explanation and Record Summary (this wasn't necessarily a thing we needed to do but it is how the record and cataloging of things were done in the old days.)
6. LAST General Assembly we voted to meet once a week starting February 2026. We will need to look at a Calendar and figure this out. Thank you

## New Business

1. Sent Anna information that she has requested. Explain -
2. A thought for forward progress. Would people like to join a subcommittee that is completely dedicated to writing documents? Learning the differences between notices, directives, and formal communications. We are needing to set standards in this for the Assembly. This would include things like fonts, formatting and truly understanding the process. Open for thoughts.
3. Vetting Team requested time.
